

LUX LEGACY CANISTER

A CLEAN HOME IS A HEALTHY HOME™

Normal household pollutants, including pollen, dust mites, and animal dander help lead to poor indoor air quality in the home. If vacuumed regularly, clean floors can actually be more beneficial to good indoor air quality than other surfaces.

The Lux® Legacy Canister vacuum is a durable and versatile cleaning system that is equipped with specially designed Fans and a powerful Motor to give the highest level of cleaning power. Its sturdy construction is designed to give years of quiet, trouble-free service. Wide wheels allow it to glide smoothly over the deepest carpets. Vinyl wraparound end and side bumpers protect furniture from damage. A Control Dial allows selection of the type of cleaning best suited to your needs. Together with a variety of attachments, this cleaner provides the versatility needed to efficiently clean all types of floors and surfaces.

Cleaner Air

Airborne contaminants are captured by a high efficiency, electrostatic Afterfilter to improve the indoor air quality.

Powerful Cleaning

Cyclonic suction prevents clogs to maintain peak airflow, necessary for powerful cleaning.

Automatic Protection

If an object becomes tangled in the Power Nozzle Brush, the circuit breaker will automatically shut off and prevent damage. The Motor automatically shuts down if it overheats.

Easy Clean Up

The Legacy's HEPA Filter Bag, exclusively designed for Aerus, is self-sealing so that no captured dirt or dust can escape.

Overheating Protection

The Motor of the Lux Legacy Canister shuts off when the temperature rises above the proper operating level. This prevents damage from overheating and prolongs the life of the Motor.

Performance Indication

An electronic display on the Canister keeps you on top of performance particulars, including when the HEPA Bag is full and needs to be changed. Automatically guards against operation without a Filter Bag.

Filter Bag Performance

Ultra filtration HEPA Filter Bags provide four times (4x) better filtration than previous 4-ply designs. Tests show 94% efficiency at capturing particles as small as 0.3 microns.

No Worries

Ownership of the Lux Legacy is worry-free with a limited 10-year warranty.

Better Cleaning with L-Shape Design

The Power Nozzle self-adjusts its height between different types of carpet and the unique, low profile L-shape provides 4-sided cleaning around table and chair legs. It's also equipped with a headlight, designed for cleaning dark areas and under furniture.

Versatility

A Control Dial, conveniently located on the canister, adjusts for the type of cleaning required, whether fine dust, large particles or regular vacuuming.

Power Switch

A Power Switch on the Handle Assembly gives power to the Hose Assembly, making cleaning a breeze and turns off the Brush Roll for use on hard surface flooring.

Convenience

Accessories are stored on board the Canister for quick access and an Automatic Cordwinder makes storage easy.

SPECIFICATIONS

Product Information	00636; Model: C153E
Electrical	11.5 Amps at 120 Volts AC 60 Hz (with Power Nozzle) 10.0 Amps at 120 Volts AC 60 Hz (without Power Nozzle)
Mechanical	Motor: 439 Air Watts
Filter Bag Capacity	2.5 US qts (2.4 L)
Cord Length	20 ft (6.1 m)
Canister Dimensions	9.8" H x 22" L x 8.8" W (24.9 cm x 55.9 cm x 22.4 cm)
Canister Weight	12 lbs (5.4 kg)
Power Nozzle Weight	4.6 lbs (2.1 kg)
Power Nozzle Dimensions	3.5" H x 14.8" W (8.9 cm x 37.6 cm)
Warranty	Limited ten (10) year warranty on vacuum Limited five (5) year warranty on accessories Terms and conditions may apply

COMPLETE ASSORTMENT OF STANDARD ACCESSORIES

The Sidekick II® – A mini, motorized power nozzle useful in cleaning stairs, bedding, car interiors, and more!

Standard Floor Brush – The bristles provide gentle cleaning while allowing air flow to suck up dirt and debris on your hard surfaces such as tile or wood.

Crevice Tool – Perfect for narrow, hard-to-reach areas such as bookshelves, between couch cushions and car interiors.

Combination Dusting/Upholstery Tool – Soft bristles protect your furniture and delicate surfaces, while adjustable wings allow for improved cleaning of upholstery or fabrics.

Healthy Home Experts™

From 1924 through the turn of the century, we were Electrolux, the clear leader in home cleaning throughout North America. Now, we're Aerus, a new name for a new generation of products and services designed to help make your home a Healthy Home. All backed by performance so legendary, over 99.8% of our customers recommend Aerus to their friends and family.
